President's Corner - By Cecil Huff December, 2008

Another year is in the process of passing and we have been busy with a number of different projects. I would like to extend a **"Thank You" to Frank** who has done a wonderful job as President for the past two years with the DCFTHBA.

Words alone can not express our gratitude to **Chris Burns** for his exceptional work building and maintaining our **New DCFTHBA website**. Chris is now very busy with his full time job and has asked that we send a duplicate of all correspondence with him to his new helper elf (Kay) at kwarrrior@fidnet.com

I know that our future holds many new and exciting ventures for each and every one of us. I'm sure we'll all have a great time working together.

If you attended the Christmas Party at the Lion's Club you're well aware of the delicious food, interesting conversations and laughter that we all shared. We were also pleased to have our surprise guests, MFTHBA President, Jim Mann and his wife Juanita. Also, stopping in to join us, were Budget Committee Co-Chairman, Jack Sampson and his wife Cathy. Mike Hamby proposed an annual trail ride in memory of Bob Burns and it passed with flying colors. Thanks Mike for your good idea.

Thanks to Nancy Burns for leading the meeting- job well done. The gift exchange was, as always, a load of laughter.

Thanks to the party committee for seeing that we all had a great time. The tables looked bright and the center pieces were outstanding

A special **"Thank You" to Nancy and Harold West** for the pecans they sent for our party. They were delicious and enjoyed by all. Some of us walked out a little nuttier than when we arrived.

Our next DCFTHBA meeting will be at Larkin's Restaurant on January 13th, eat at 6:00 p.m., meeting starts at 7:00 p.m.

Myron Lake is now home from the hospital after a serious auto accident and would probably enjoy some cards and phone calls.
